# ABOUT US

**BharatFresh Export is a newly established export company from Uttar Pradesh, founded in 2025. Our mission is to deliver India's fresh vegetables and spices to global markets with high quality and consistency. We prioritize product purity, offering staples like onions and garlic, as well as a variety of fresh produce. With a focus on market demands and logistical precision, we ensure compliance with international standards. Led by Amit Chaurasiya, our team provides transparent service, flexible order quantities, and reliable payment options. At BharatFresh Export, we export not just vegetables, but also freshness, trust, and a taste of India.**
